

Driver's License Information Required

Fill out this page ONLY if you received a new driver's license since we did taxes last

OR if we have not previously received this information.

Dear Client:

To prevent fraud and improve security, New York State and the Internal Revenue Service is now requiring taxpayer and spouse driver's license information. The information is required as an additional means of validating taxpayer's identification. We need this information to electronically file your tax return.

Please provide us with a copy of your driver's license or state issued identification card or fill in the requested information below and return to us with your tax information. If you wish to send a picture of your license front and back you can email it to northeastcpa@gmail.com or text to 518-822-1673
